AN INVITATION TO EXHIBIT & SPONSOR

Dear Prospective Exhibitor and Sponsors:

The ASCE UESI 2020 Surveying and Geomatics National Conference in collaboration with Cincinnati State Technical and Community College, will be held Sunday, May 31, 2020 through Tuesday, June 2, 2020 at the Doubletree Hilton Hotel & The Lawrenceburg Event Center in Lawrenceburg, Indiana. This is the second surveying and geomatics conference for the UESI. The conference theme is Surveying: The Road to Successful Engineering.

An estimated 300 attendees are expected to attend this premier educational event for engineers, construction, land surveyors and geospatial professionals, students and educators. Providing relationship and education/sales opportunities for exhibitors with those already in the utility mapping field and our future leaders. As subsurface utility technology and software continuously improves, managing the data it produces, is becoming more important to design professionals.

Thank you for your support of UESI Surveying and Geomatics Division. Your participation is an integral part of the success of this conference and we hope this is the start of a continuous partnership for many years to come.

Sincerely,

UESI 2020 Surveying and Geomatics Exhibits and Sponsorship Chairs

OBJECTIVE

This will be the second ASCE conference in surveying and geomatics since 1992; and Cincinnati State Technical and Community College are honored to partner with ASCE UESI to promote this conference to engineers with interest in various surveying and geomatics engineering related topics.
